

CONFLICT MINERAL POLICY STATEMENT

COLORES CERÁMICOS, S.A. as a Company dedicated to the manufacturing of glazes and pigments for the ceramic and glass sectors, could be affected by supplies of minerals and metals from risk and conflict areas.

Therefore, it is made known that the company is committed to ensure that all the products supplied to our customers do not contribute to the financing of armed groups or conflicts.

To guarantee the accomplishment of this policy, the following principles are applied to all purchases of raw materials whose origin could be identified as a conflict area:

- ✓ Purchasing products only from reputable suppliers who prove to have undertaken due diligence checks to ensure that their supply chain complies with the regulation of conflictive minerals.
- ✓ Requiring from suppliers a written statement confirming the conflict-free status of the purchased material.
- ✓ Requesting, reviewing, and recording the identities of all the smelters where the minerals have been manufactured or refined to obtain the raw materials.
- ✓ Complying with all applicable legislation regarding sourcing of materials from conflict-affected and high-risk areas.

COLORES CERÁMICOS, S.A. is strongly committed to developing its business in compliance with all current laws and regulations and in accordance with the highest ethical principles.

We will continue to work with our suppliers to act in accordance with our values.
